from the said charge ; no Govt order on the subject is traceable in this Branch.

ASR 2/3 2 Both the levy of the Commission of 1% and its Exemption in the case of Cotton seed oil Compys were Sd by the Compr as they did not require orders of Govt.

3. In the present instance, it is doubtful if Govt can undertake to do the work asked of it. If this is to be done where is Govt to stop?

It would perhaps be convenient if the money is paid in to the Try as a receipt of the Mysore Bank just as other receipts of the Mysore Bank.

5 The applicants may be informed that all receipts from Mysore Banks are received in Govt Treasuries, that their Collections may also be received as receipts of the Mysore Bank. If their idea is that they should be credited with Bank & that they may apply to the Compr in the matter by 22/3
